SCHOOL COMMITTEE DISCUSSION/DIRECTIVES

School Committee Discussion/Directives shall provide members of the School Committee with an opportunity to discuss the topic(s) of the current agenda.

Actions may take place at this time unless otherwise voted by the School Committee. Votes may be taken by the School Committee to place the topic on the agenda of the next School Committee meeting, or future meeting as requested, make the topic the subject of a special School Committee meeting, refer the topic to a subcommittee of the School Committee or refer it to the superintendent for particular action. The directives of the School Committee will be reflected in the minutes and the superintendent will make note of the requested action.
