

ACTION ITEMS/REPORTS

All business requiring action by the School Committee and/or requiring a vote of the School Committee shall occur under this agenda item. Each School Committee member will be provided with back-up material, as appropriate, on each item requiring action as well as the superintendent's recommendation on each action item. This information will be included in the School Committee packet prior to the Tuesday meeting. Items requiring immediate action or consideration, that cannot wait until the next regular meeting for action, may occur in the Superintendent's Report.
