

**CONCESSIONS**

(School Administration & Fiscal Management)

**CONCESSIONS**

1. The Marlborough School Committee, recognizing that from time to time it may be appropriate to employ vendors at school functions and athletic events, states as its policy that no concessionaires be contracted unless all student and parent organizations have been given the opportunity to assume that role and tasks.
2. If, in fact, a concessionaire is to be employed, he/she will not be employed unless licensed, and if so licensed unless approved by both the principal and the faculty advisor (ie: Athletic Director) responsible for the activity.
